

PUBLIC NOTICE

MARYLAND DEPARTMENT OF TRANSPORTATION STATE HIGHWAY ADMINISTRATION

AVAILABILITY OF FINAL ENVIRONMENTAL IMPACT STATEMENT

MD 3 (US 50 to MD 32)

Anne Arundel and Prince George's Counties

The Maryland State Highway Administration (SHA) provides notice that the Final Environmental Impact Statement (FEIS) prepared by SHA and approved by the Federal Highway Administration, is available for review and copying. All comments received on the Draft Environmental Impact Statement (DEIS) and at the May 20, 2004 Public Hearing were evaluated, made part of the FEIS and considered in identifying the preferred alternate, Alternate 3 – Boulevard Concept. The preferred alternate consists of improvements along MD 3 from US 50 to MD 32 and interchange/intersection improvements at MD 450: Combination Options A and B, Crawford / Cronson Boulevard: Option A, MD 424 (Davidsonville Road) / Conway Road: Continuous Flow Intersection, Waugh Chapel / Reidel Road: Option B Modified, and MD 175 / Millersville Road / Charles Hall Road: Option B Modified. The Public Hearing transcript was made available for public inspection and review after the hearing, and is currently available on SHA's website at the address noted below.

Beginning on August 30, 2011, the FEIS will be available for a minimum of 30 days for review and comment during normal business hours at the following locations:
